🔗 Sunil Kumar P

SUMMARY

Experienced front-end developer skilled in building attractive and user-friendly websites. Proficient in **HTML**, **CSS**, and **JavaScript**, with expertise in **React js**. Able to turn design ideas into responsive sites. Passionate about staying current with front-end trends. Excited to work on dynamic projects and collaborate with teams to create outstanding user experiences.

EXPERIENCE

Web Developer Intern

Mercado monarch

📅 02/2024 - 04/2024 📍 WFH

- I joined as a web developer intern through LinkedIn
- created a landing page for the company, which is now being used as their official site.

Web Developer Intern

Innovixion Tech

📅 12/2023 - 01/2024 📍 WFH

- I had the opportunity to tackle three exciting tasks: Personal Portfolio, Countdown Task and creating a dynamic Quizz web
- Stay up-to-date with emerging trends and technologies in front-end developments

EDUCATION

Bachelor of Technology - IT

PSNA College of Engineering and Technology

📅 09/2022 - Present 📍 Dindigul, TN

GPA

8.0 / 10

computer science-12 grade

cheran vidhyalaya matric hr sec school

📅 09/2021 - 07/2022 📍 Chinnalapatti(DGL)

mark

508 / 600

PROJECTS

Quora Login Page

📅 11/2023 📍 remote

Recreated the Quora's login page

- I replicated Quora's login page using HTML for structural elements and CSS for styling, ensuring authenticity by referencing the original page's link.

PROJECTS

Portfolio

📅 12/2023 📍 remote

My Personal Portfolio Showcase

- My portfolio's story unfolds line by line, from HTML to CSS to JavaScript.
- With Bootstrap's responsive framework, I merge design and functionality for a seamless experience on any device
